

# Compostable Dinnerware

*Elegant and Compostable—together?*

*YES*

*We carry Palm Plates—these plates are disposable in your home or community compost.*

*These plates are sturdy, handle well with hot or cold foods and liquids.*

*After your event there is no worry about scraping and rinsing plates for return.*

*Made from 100% fallen palm leaves these are eco-friendly and sustainable.*

*Contact us for pricing for your event as price varies by size and quantity.*

*Along with Palm Plates we also have Compostable Cutlery as well.—these are made of wood from Birch Trees are nicer than a plastic fork!*
